HOW IT WORKS

Register with DUFL - Download the DUFL app and create a new user account. DUFL will send you a large suitcase to fill with the clothes you typically wear on the road. Once packed, simply schedule a pick up within the app and we will deliver your bag to the DUFL warehouse.

Virtual Closet- When your clothes arrive at the DUFL warehouse, we will inventory, photograph, clean and store your clothes so that they are ready for your next trip.

Schedule a trip - Using the app, select which clothes you'd like to take from your DUFL virtual closet, then enter your destination and arrival date.

Enjoy your trip - Breeze through your trip luggage free and your bag will be waiting for you at your destination.

Schedule a pick-up - Ready to go home? Schedule a pick up in the app, affix the appropriate shipping label and leave your bag at the hotel desk.

Enjoy your flight - Breeze through your return trip luggage free. We will notify you when your cleaned clothes are back in your DUFL virtual closet and ready for your next trip.

That's It - No unpacking, no laundry, no visit to the dry cleaner. No hassle. The travel concierge you've always wanted.
