970x90, 630x60, 300x250 & 320x100

WALLPAPER SPECS

1920px wide, 1080px high. Top of wallpaper is 150px from the top of the creative to the top of the page body and will disappear when user scrolls down the page. Columns are 400px wide and will stay in place when user scrolls down. Wallpaper must be under 1 MB.

To ensure maximum visibility on most devices, place all pertinent information within the top 600px (vertically) of side columns and within the 200px closest to the center of the page (horizontally) on both sides. The outside 200px on both sides are not guaranteed to be visible. Use high resolution backdrop image.

FILE SIZE

Each creative: 100kb or less except Wallpaper (Wallpaper must be under 1 MB).

ACCEPTED FORMATS

.JPG or .GIF - include a "link-to" URL, HTML/Third Party HTML (i.e. iFrame). Please ensure that the URL is embedded into file prior to sending

- **Third party tracking tags are only accepted for positions on TravelPulse Canada and TravelPulse Quebec**
- We do not accept flash and/or third-party tracking tags for newsletter display banners.
- Banner Advertisements normally go live on Monday.
- All banner materials are due on the Tuesday before going live (six days before the launch date).
- Creatives cannot be adjusted mid-week after a campaign has launched. This is to ensure that creatives have visibility on our sites, as best practice in digital marketing.
