INVITE YOU TO

Lisbon & Cascais, Portugal

Few cities in Europe captivate like Lisbon, where golden light spills across centuries-old facades, soulful charm fills every street, and each corner feels made to be discovered.

This exclusive 3-day post-tour invites guests to experience the romance of Lisbon, the glamour of Cascais, and the mystical beauty of Sintra through a thoughtfully curated journey.

Guests will stay at the iconic Tivoli Avenida Liberdade Lisboa before continuing to the elegant Grande Real Villa Italia Hotel, perched above the Atlantic in Cascais.

From landmark venues and hidden gems to riverside dining, fresh seafood by the marina, a celebrated wine estate, and a thrilling coastal 4x4 adventure, each moment has been designed to inspire.

Expertly curated by the OSIRIS team, this is more than a post-tour. It is an inspiring invitation to experience one of Europe's most compelling destinations.
