

# TRAVELAGEWEST.COM GATEWAYS

TravelAgeWest.com gateways provide agents with dedicated micro-sites on the most popular domestic and international destinations, as well as cruise, river cruise, tour and family travel.

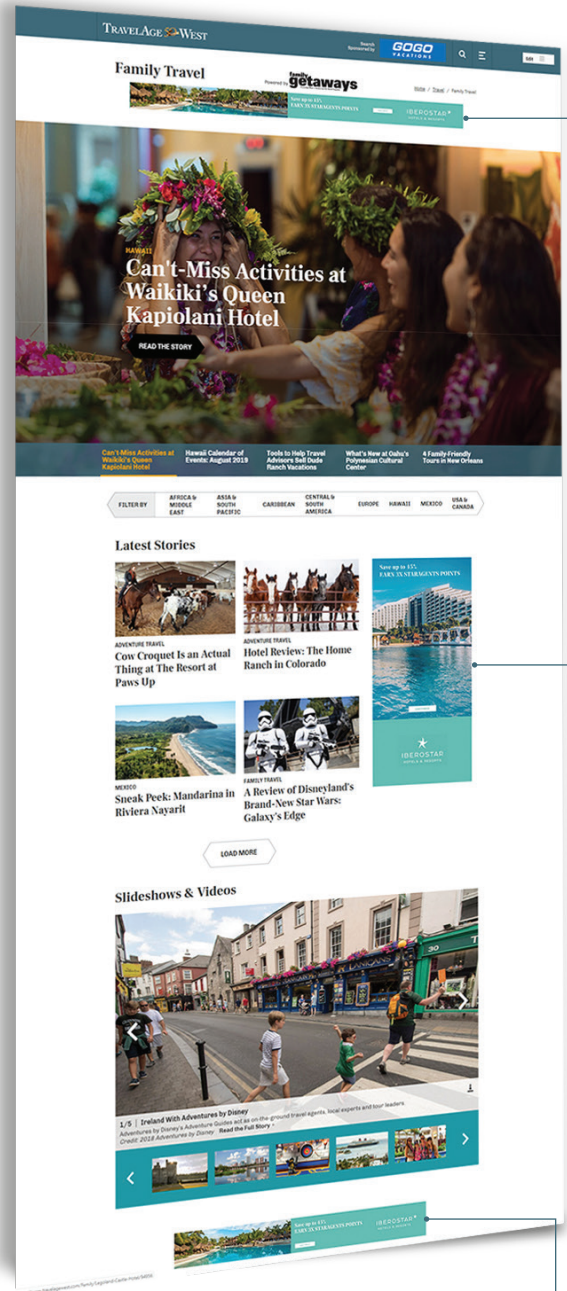

Our gateways provide comprehensive coverage and research tools, including editorial features, photo tours, itineraries, tips, special offers and a collection of marketing tools. Each gateway utilizes leaderboard, rectangle and text ad units, providing prime real estate throughout all gateway pages, allowing advertisers to target messages to specific destinations or niche travel themes.
