Other Photographers / Videographers

Majestic Resorts has featured photography in this brochure from its official photographers and videographers at Majestic Resorts: L&V Photography and WBA Studios. Additionally, we recommend the following external partners (external vendor fees apply):

- CoresFilms: coresfilmsdr@gmail.com
- Jamie Dimitry Photography (Photography only): jamiedimitryphotography@gmail.com

Vendor Fees

If you'd like to hire an external company (not provided by Majestic Resorts) for wedding services such as photographers, videographers, decorators, florists, DJs, ministers or pastors, hair stylists, makeup artists, etc., the following vendor fees apply:

- Dominican Republic: \$1,200 USD vendor fee per vendor per service, and \$90 USD per additional person required by the vendor to complete the service per day
- Mexico: \$1,000 USD vendor fee per vendor per service, and \$90 USD per additional person required by the vendor to complete the service per day.

All of these charges are per day.

When using the same company for photography and videography services, please note that the vendor fee applies per service.

If you're bringing flower decorations (fresh or silk) from an external supplier, a vendor fee will apply even if the vendor does not enter the resort.

Majestic Resorts is not responsible for external suppliers.

Please send the name of the external vendor company to your wedding planner at least 60 days in advance, as some restrictions may apply. They will confirm the appropriate surcharges. All external vendors must be approved in advance by your wedding coordinator; please inform us before confirming with your vendor. Access may be declined at the discretion of the resort.

EVERYTHING YOU NEED TO KNOW FOR YOUR MAJESTIC WEDDING

Your wedding date and time are confirmed! What's next?

Along with your confirmation, we'll send you documents with more details once the wedding is confirmed, so you can start planning the big day. You'll also receive the "My Majestic Wedding" planning guide where you'll fill out all the details you'd like... Make sure to include absolutely everything! We'll need this document back at least 45 days prior to your arrival so we have adequate time to finalize every detail for your special day.

Who will we work with to coordinate our wedding plans?

You will be working with the Senior Wedding Specialist of the hotel you selected, mostly via email or possibly by phone, and they'll be your main point of contact throughout the planning process. Your specialist will make your vision come to life and take care of any special requests. Upon arrival, you'll be assigned one of our on-site wedding coordinators; the coordinator will send you a letter after you arrive to arrange an in-person meet-up to reconfirm all your selections.

How many days before the wedding should I arrive at the hotel?

There's no time restriction, but we always recommend couples arrive at least 2-3 days before the wedding so you have enough time to meet with your wedding coordinator and reconfirm the details. The exception is for civil weddings in Mexico, where you must arrive at least 3 business days before the wedding.

Can we get any kind of wedding package discount?

We cannot remove items or offer discounts on the wedding package; however, you can get the wedding package for free if you book 15 rooms or more for 7 nights each, or 105 room nights. Whenever possible, we suggest you request a group booking via your travel agency so that you can secure the rooms that you will require for your friends and family. A group reservation will also help you secure the best possible rates.

How long is the ceremony?

Most Majestic Resorts ceremonies last around fifteen (15) minutes. If you're having a Catholic ceremony, it will be about 30 – 60 minutes.

What does the basic ceremony setup include?

The basic ceremony setup includes the garden or beach gazebo, chairs with white covers, and a table covered in white linen with the tropical centerpiece that comes as part of the wedding package.

Is there a wedding ceremony rehearsal?

Complete details will be explained during our meeting, and of course the wedding coordinator will be with you during the ceremony. We recommend you meet with your wedding party to give them an update following our meeting. Ceremony rehearsal will be subject to availability.

Why do I have to pay extra for my private reception when the hotel is all-inclusive?

If you choose to hold a private reception, it will be customized and decorated as you desire. The area/venue will be private for you and your guests. Staff will be provided and a bar and private menu will be offered. This comes at an extra charge, as these programs are not part of our regularly scheduled events or food and beverage service at the hotel.

Are we allowed to bring our own champagne or bottles of alcohol for the toast or consumption during the reception?

Yes, but there is a corkage fee of \$10 USD per bottle.

What happens if it rains?

We always have an alternative plan for all outside events, which will depend on your group size and the venue options available. In the event of rain, we'll review our final plans and timelines for your event and present you with a document for final sign-off on the changes required to carry out your event.

Can we have fireworks for our wedding?

Fireworks are allowed at the hotel if booked through the hotel with their in-house vendor. Because of safety regulations and the need for government authorization, we do not allow outside companies to detonate fireworks near Majestic Resorts premises, otherwise there will be a fine involved. If the couple confirms fireworks with an outside vendor, this fine will be absorbed by the couple.

How do we pay for the wedding package or any supplemental fees?

No deposit is required. Payment will be made upon arrival to the resort, and prior to the ceremony. We accept credit cards (Visa, Mastercard, American Express) and cash (USD or local pesos).

Can I ship items to the resort?

Yes, you can make shipments. However, please note we cannot receive any goods more than one week in advance. Customs will most likely open all packages, and along with the company you used for shipping, you will need to take care of the customs bill. We're happy to receive packages, but we are not responsible for them arriving safely. The customs bill is the responsibility of the wedding couple. With all that in mind, we suggest that you bring everything with you to avoid these extra charges and potential delays.

What if I have guests that would like to attend my wedding but they will not be staying at the resort?

Any wedding guests not staying at the resort will need to purchase a day pass and cannot exceed more than 10% of your total number of guests. You can find all of our day pass rates and details on page 28.

Does the resort offer a transfer service to and from the airport for their guests?

Yes, GoMajestic offers transfers and excursions in both Mexico and the Dominican Republic at an additional cost. For rates and information, please contact:

- Dominican Republic: reservations.puntacana@gomajestictours.com
- Mexico: reservations.costamujeres@gomajestictours.com

Do you have any ideas of group activities I can do with my guests during their stay at the resort?

Our different resorts offer a variety of entertainment activities throughout the day and evening as part of the all-inclusive plan. Each destination also has endless excursions so you can explore the beauty of the surrounding region, which may be purchased through your travel agency, your tour operator, or our on-site tour agency GoMajestic.

Do you have pictures of the event locations and details?

- Punta Cana: www.majesticresortspuntacana.pixieset.com/
- Costa Mujeres: www.inloveatmajestic.com

We suggest you also check our website for updates www.majestic-resorts.com

Will I receive a response to an email on the same day I sent it?

Due to a variety of factors, it's not always possible for us to respond the same day. We check emails as often as possible, but the nature of our job has us in and out of the office to set up and execute weddings on a daily basis. Emails are managed based on priority level and when they were received. We appreciate your patience!

For more details or additional questions, you can reach us via email at:

- Dominican Republic: infoweddings.puntacana@majestic-resorts.com
- Mexico: infoweddings.costamujeres@majestic-resorts.com

If you already have a confirmed wedding, please make sure to include the last name of the wedding couple and your wedding date in the subject line of all emails.

What if I decide to use an outside vendor for my wedding?

Please send the name of the service and outside vendor company to your wedding planner before confirming with your vendor, as some restrictions may apply. They will confirm the appropriate surcharges and whether your vendor is approved.

You can find all of our vendor fees and Terms & Conditions on page 29.

Will I be able to bring my own decoration in case I don't want to buy a package?

Yes, you can bring your own decorations with you. Majestic Resorts can take care of all the setup for you with a setup fee, or you can do the setup yourselves at no extra cost. Please see our Decorations section on page 20 for full details, conditions, and recommendations on each of these options.

IMPORTANT NOTES:

Please make sure that you have all of your group's room reservations confirmed; we need this information in order to host your wedding at Majestic Resorts. Your wedding ceremony location will be held in the resort where you are staying. All guests in the rooming list must attend all wedding events.

We're just glowing!
